1. INTRODUCTION

The Western Region Academy of Sport (WRAS) attempts to enhance experiences for talented sports people and provide opportunities for the wider sporting community. WRAS is committed to:

QUALITY: 'we deliver the best possible services'

INTEGRITY: 'we exercise the highest ethical standards in all our activities and interactions'

CARE: 'we care about our athletes, staff and stakeholders'

RESPONSIVENESS: 'we consider and respond to individual needs supporting a continuous improvement approach'

INNOVATION: 'we respond with solutions that may not have been considered'

RESPECT AND RESPONSIBILITY: 'we expect the principles of mutual obligation and respect to apply in all our relationships'

2. PURPOSE OF OUR POLICY

The main objective of the WRAS Member Protection Policy is to maintain responsible behaviour and the making of informed decisions by members and other participants in WRAS. It outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from discrimination, harassment and abuse. Our policy informs everyone involved in WRAS of their legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in WRAS activities.

3. WHO OUR POLICY APPLIES TO

This policy applies to everyone involved in WRAS including board members, employees, administrators and coordinators, consultants, coaches, officials (umpires/referees/judges), members (including life members), squad participants, parents and spectators.

4. EXTENT OF OUR POLICY

This policy covers WRAS code of behaviours and behaviour that is expected at training sessions, social events organised or sanctioned by WRAS and on away and overnight trips. It also covers discrimination, inclusive practices, complaint handling and private behaviour where that behaviour brings WRAS into disrepute or there is suspicion of harm towards a child or young person.

5. WRAS RESPONSIBILITIES

We will:

- implement and comply with our policy;
- promote our policy to everyone involved in WRAS;
- promote and model appropriate standards of behaviour at all times;
- respond to breaches or complaints made under our policy promptly, fairly and confidentially;
- review this policy every 12-18 months; and

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 2
Version Date: July 2018	Next Review: July 2019	No of Pages: 24

- seek advice from and refer serious issues to state sporting organisations or law enforcement where appropriate

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our board, state or national bodies request to be referred to them.

6. INDIVIDUAL RESPONSIBILITIES

Everyone associated with WRAS must:

- make themselves aware of the contents of this policy;
- comply with the standards of behaviour outlined in our policy;
- always place the safety and welfare of children above other considerations;
- be responsible and accountable for their behaviour;
- treat other people with respect;
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment, bullying or other inappropriate behaviour;
- consent to the screening requirements set out in this policy, and any state or territory Working with Children checks if the person holds or applies for a role that involves regular unsupervised contact with a child or young person under the age of 18, or where otherwise required by law; and
- comply with any decisions and/or disciplinary measures imposed under this policy

7. PROTECTION OF CHILDREN

7.1 Child Protection

WRAS is committed to the safety and wellbeing of all children and young people who participate in our activities or use our services. We support the rights of the child and will act at all times to ensure that a child safe environment is maintained. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

WRAS acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children and young persons involved in our activities. WRAS aims to continue this and to take measures to protect the safety and welfare of children and young persons participating in our activities by:

7.1.1: Identifying and Analysing Risks of Harm

WRAS will develop and implement a risk management strategy, which includes a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of an employee, volunteer or another person.

7.1.2: Developing Codes of Conduct for Adults and Children

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 3
Version Date: July 2018	Next Review: July 2019	No of Pages: 24

WRAS will ensure that the organisation has codes of conduct that specify standards of conduct and care when dealing and interacting with children, particularly those in our care. We will also implement a code of behaviour to promote appropriate behaviour between children.

The codes will set out professional boundaries, ethical behaviour and unacceptable behaviour. (See Part B)

7.1.3: Choosing Suitable Employees and Volunteers

WRAS will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions). This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

WRAS will ensure that Working with Children Checks are conducted for all employees and volunteers working with children (See Part C).

7.1.4: Support, Training, Supervising and Enhancing Performance

WRAS will ensure that all our employees and volunteers who work with children or their records have ongoing support and training such that their performance is developed and enhanced to promote the establishment and maintenance of a child safe environment.

7.1.5: Empowering and Supporting the Participation of Children in Decision-Making and Service Development

WRAS will promote the involvement and participation of children and young people in developing and maintaining a child-safe environment within WRAS.

7.1.6: Reporting and Responding Appropriately to Suspected Abuse and Neglect

WRAS will ensure that employees and volunteers are able to identify and respond appropriately to children at risk of harm.

WRAS will make all volunteers and employees aware of their responsibilities under respective state laws if they have suspicion on reasonable grounds that a child has been, or is being, abused or neglected (See Part E).

In addition to any legal obligation, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in breach of this policy they may make an internal complaint.

Please refer to our complaints procedure in section 10 of this policy. Any person who believes a child is in immediate danger or in a life-threatening situation, should contact the police immediately.

7.2 Supervision

Members under the age of 18 must be supervised at all times by a responsible adult. WRAS will provide a level of supervision adequate and relative to the members' age, maturity, capabilities, level of experience, nature of activity and nature of venue. If a member finds a member under

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 4
Version Date: July 2018	Next Review: July 2019	No of Pages: 24

the age of 18 is unsupervised, they should assume responsibility for the member's safety until their parent/guardian or supervisor can be found.

For reasons of courtesy and safety, parents/guardians must collect their children on time. If it appears a member will be left alone with just one child at the end of any WRAS activity, they will ask another member to stay until the child is collected.

7.3 Transportation

Parents/guardians are responsible for transporting their children to and from WRAS activities (e.g. training and competitions). Where WRAS makes arrangements for the transportation of children (e.g. for away training or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and the appropriate safety measures are in place (e.g. fitted working seatbelts).

7.4 Taking Images of Children

Images of children cannot be used inappropriately or illegally. We require that members, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child that is not their own. We will also make sure that the parent or guardian understands how the image will be used. We also require the privacy of others to be respected and disallow the use of mobile phones, videos and cameras inside changing areas, showers and toilets.

We will not promote personal information, such as residential address, email address or telephone number, without the consent of the child's parent or guardian.

We will only use images of children that are relevant to WRAS activities and we will ensure that the child is suitably clothed in a manner that promotes WRAS. We will seek permission from a child's parent or guardian before using their images.

8. DISCRIMINATION, HARASSMENT AND BULLYING

WRAS is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment and bullying.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed or bullied.

WRAS opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phones, computers, social media etc.

Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race and marital status.

WRAS takes all claims of harassment, discrimination, bullying and cyber bullying seriously. We encourage anyone who believes they have been harassed, discriminated against or bullied to raise the issue with WRAS (see Responding to Complaints – section 10).

9. INCLUSIVE PRACTICES

WRAS is welcoming and we will seek to include members from all areas of our community.

9.1 People with a disability

Where possible we will include people with a disability in our squads and academy. We will make reasonable adaptations (e.g. modifications to equipment and rules) to enable participation.

9.2 People from diverse cultures

We will support, respect and encourage people from diverse cultures and religions to participate in WRAS and where possible we will accommodate requests for flexibility (e.g. modifications to uniforms).

9.3 Sexuality and Gender Identity

All people, regardless of their sexuality or gender identity, are welcome at WRAS. We strive to provide a safe environment for participation and will not tolerate any form of discrimination or harassment because of a person's sexuality or gender identity.

9.4 Pregnancy

We will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our academy.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our academy. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with WRAS.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person bound by this policy, she may make a complaint (see section 10).

9.5 Gender Crossover in Teams

If there is not a separate sex competition, WRAS will support gender crossover in teams up until the age of 12 years (when federal sex discrimination law says if differences in strength, stamina and physique are relevant, then single sex competition is required). After this age WRAS will consider each request on an individual basis in consultation with the relevant state sporting organisation.

10. RESPONDING TO COMPLAINTS

10.1 Complaints

WRAS takes all complaints about on and off-field behaviour seriously. WRAS will handle complaints based on the principles of procedural fairness, and ensure:

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 6
Version Date: July 2018	Next Review: July 2019	No of Pages: 24

- all complaints will be taken seriously;
- both the person making the complaint (complainant) and the person the complaint is against (respondant) will be given necessary details of what is being alleged against them and have the opportunity to respond to those allegations;
- irrelevant matters will not be taken into account;
- decisions will be unbiased; and
- any penalties imposed will be reasonable

More serious complaints may be escalated to our board or relevant state sporting organisation.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our academy will need to report the behaviour to the police and/or relevant government authority.

10.2 Complaint Handling Process

When a complaint is received by WRAS, the person receiving the complaint (e.g. Executive Officer, Member Protection Information Officer) will:

- listen carefully and ask questions to understand the nature and extent of the concern (and document this information);
- ask the complainant how they would like their concern to be resolved and if they need any support;
- explain the different options available to help resolve the complainant's concern;
- inform the relevant government authorities and/or police, if required by law to do so; and
- where possible and appropriate, maintain confidentiality but not necessarily anonymity

Once the complainant decides on their preferred option for resolution, WRAS will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the complainant to talk to the respondant;
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to an external agency and an investigation is conducted, the academy will:

- co-operate fully with the investigation;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent; and
- act on external agency's recommendations.

At any stage of the process, a person can seek or lodge a complaint with an anti-discrimination commission or other external agency.

10.3 Disciplinary Sanctions

WRAS may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be applied consistent with any contractual and employment rules and requirements;

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 7
Version Date: July 2018	Next Review: July 2019	No of Pages: 24

- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined by our constituent documents, by laws and the rules of the game.

Possible sanctions that may be taken include:

- a direction that the individual make verbal and/or written apology;
- counselling of the individual to address behaviour;
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by WRAS;
- suspension or termination of membership, participation or engagement in a role or activity;
- recommendation to the relevant state sporting organisation regarding de-registration of accreditation for a period of time or permanently;
- any other form of discipline that WRAS considers reasonable and appropriate.

10.4 Appeals

The complainant or respondent can lodge an appeal to the WRAS board against decisions made in relation to a complaint. Appeals must be based on either a denial of natural justice, because of unjust or unreasonable disciplinary measures being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/WRAS. Appeals must be lodged within 7 calendar days of the final outcome and can be lodged to the WRAS Chairman chair@wras.org.au or Member Protection Information Officer mpio@wras.org.au

Attachment B1: Squad Staff Code of Behaviour

SQUAD STAFF CODE OF BEHAVIOUR

POLICY STATEMENT

Everyone involved with the Western Region Academy of Sport (WRAS) has the right to feel safe at all times. As a member of WRAS it is important to understand that you have the right to be treated in a non-discriminatory way and receive a fair go, as do all other members. You should treat all participants as you would like to be treated yourself. Cooperation with athletes, squad staff and office staff is crucial to success in WRAS and sport in general. Squad staff are expected to respect the rights, dignity and worth of all participants regardless of their ability, gender or cultural background. All WRAS squad staff are expected to demonstrate good sportsmanship, honesty, integrity and respect for others and be a responsible citizen and community role model.

Squad staff are responsible for ensuring they act in a manner consistent with this Code of Behaviour and in a way that supports WRAS' values. It is essential for squad staff to take the time to understand the Code of Behaviour and how it impacts on their responsibilities.

The Code of Behaviour should not be read as a series of rules but rather as a practical guide based on a common sense approach to help squad staff make decisions in line with WRAS values. It outlines the behaviour expected of all squad staff.

The emphasis is on taking personal responsibility for actions and using the Code as a guide to assist squad staff when they are faced with an unfamiliar or ambiguous situation. Squad staff are expected to be responsible for decisions made and be prepared to account for their decisions and actions.

Squad staff are expected to:

- carry out all duties diligently, impartially, conscientiously and to the best of their ability;
- deliver integrated and high quality services to WRAS programs and in relationships with strategic stakeholders;
- incorporate fairness and equity in operations and decision-making;
- always promote the highest behavioural and ethical standards;
- not discriminate against or harass any person for any reason;
- where required, regularly monitor and review performance;
- maintain a respected public profile;
- ensure that confidential information in their care is kept safe and secure and cannot be accessed by unauthorised people. Any uncertainty as to whether information is confidential or is public knowledge should always be treated as confidential;
- ensure children's safety, welfare and wellbeing are maintained;
- declare any conflicts of interest;
- deal with every situation consistently, promptly, fairly, without discrimination and with courtesy;
- be aware of how their own actions and behaviour may be perceived by others and ensure their conduct never results in people feeling threatened, uncomfortable or unable to cope in any environment. This may include sexual advances, comments, racial or religious 'jokes' or slurs, or any other conduct that is intimidating or offensive;

Authorised by: WRAS Board of Management	Title: Member Protection Policy	Page: 13

- report any unfair or discriminatory behaviour to WRAS Executive Officer (or Board members if required);

- not disclose any confidential information gained whilst at a WRAS event unless with the approval of the Executive Officer, a Board member or as required to do so by the law;
- leave facilities free from litter of other mess; and
- maintain good care of any WRAS items in your possession

- not respecting the personal property of other WRAS members;

Note: No policy can address, in specific fashion, all possible situations, which may take place. When this policy does not address a specific behaviour, squad staff are expected to conduct themselves and their activities in a spirit of social responsibility and respect for others.

Whilst WRAS staff and squad staff will provide as much supervision as possible in attempting to fulfil their duty of care to athletes, athletes and their parents should be aware that direct 24 hour supervision for all athletes is not always possible. Consequently, all WRAS members will be accountable for their own actions at all times whether under direct or indirect supervision of staff.

Member Protection Policy Document

- misrepresenting the nature or extent of an injury or illness to allow an athlete to participate in a competition, training camp or other similar activity when such participation is inconsistent with the appropriate medical response to the injury or illness;
- not respecting all property and facilities utilised by WRAS including accommodation, furnishings, uniforms and equipment;
- not respecting the personal property of WRAS athletes or members;
- borrowing money from WRAS squad staff; and
- exhibitions of poor sportsmanship (including abuse of officials)

Note: No policy can address, in specific fashion, all possible situations, which may take place. When this policy does not address a specific behaviour, parents/guardians are expected to conduct themselves and their activities in a spirit of social responsibility and respect for others.

Whilst WRAS staff and squad staff will provide as much supervision as possible in attempting to fulfil their duty of care to athletes, athletes and their parents/guardians should be aware that direct 24 hour supervision for all athletes is not always possible. Consequently, all WRAS members will be accountable for their own actions at all times whether under direct or indirect supervision of staff.

Attachment E1: Procedure for handling allegations of child abuse

If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.

Fact sheets on reporting allegations of child abuse in different states and territories are available at www.playbytherules.net.au

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with WRAS in a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion
Explain that other people may need to be told in order to stop what is happening	Do not discuss the details with any person other than those detailed in these procedures
Promptly and accurately record the discussion in writing	Do not contact the alleged offender

Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.

- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the Executive Officer or Board member of WRAS so that he or she can manage the situation.

Step 3: Protect the child and manage the situation

- The Executive Officer or Board member will assess the immediate risks to the child and take interim steps to ensure the child’s safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of WRAS.
- The Executive Officer or Board member will consider what services may be most appropriate to support the child and his or her parent/s.
- The Executive Officer or Board member will consider what support services may be appropriate for the alleged offender.
- The Executive Officer or Board member will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

Step 4: Take internal action

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
 - a criminal investigation (conducted by the police)
 - a child protection investigation (conducted by the relevant child protection agency)
 - a disciplinary or misconduct inquiry/investigation conducted by WRAS.
- WRAS will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- If disciplinary action is undertaken, WRAS will follow the procedures set out in *[Clause 10.3]* of our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
